Commissioner for Patents

Response to Amendment

The reply filed on 0408/2011 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s) : Applicants are thanked for the attempt to clarify their response. However, the latest response states the following: "Applicant elects to withdraw Group I (claims 1-20, 38-50, 69-86 and 87-104) and Group III (claims 51-60). Applicant hereby elects group II (claims 21-37), without traverse." Upon review of the pending claims, claim 20 appears to designate the hydrogel which is part of Group II, and claim 21 is cancelled. Additionally, applicant adds claim 105, without indicating it as part of elected Group II. Clarification is requested since Group I includes claim 20 as listed in the response. All the claims which are elected as part of Group II should be clearly set out. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a). Any inquiry concerning this communication or earlier communications from the examiner should be directed to CARLOS AZPURU whose telephone number is (571)272-0588. The examiner can normally be reached on Tu-Fri, 6:30 am - 5:00 pm. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Fereydoun G. Sajjadi can be reached on (571) 272-3311. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system.
